Nonfiction Short Text

Page

Animals

- 50** **Watch Me Grow!**
Clear photos and numbered captions trace the lifecycle of a chicken from egg to adult. A follow-up page shows other animals that hatch from eggs.
- 54** **The Bald Eagle**
Take a closer look at the mighty eagle in real-life photographs with informative labels and captions.
- 55** **The Grizzly Bear**
This article combines rich, descriptive text with detailed photos to tell about the great grizzly bear.
- 58** **The Three Goats**
Narrative text and adorable photos tell the story of three little goats.
- 63** **Our Class Pets!**
In this introduction to graphs, learn from simple charts, pictographs, and Venn diagrams. Then record your own data about pets.

Nature

- 66** **Footprints in the Forest**
Action photos and tracks show how animals' feet help them move.
- 70** **Symmetry in Nature**
Explore the lines of symmetry of plants, insects, and animals. Then draw the missing half of a butterfly.
- 74** **Don't Trash the Earth! Reduce, Reuse, and Recycle**
Bulleted lists tell simple ways that all children can help save the Earth.

Seasons and Weather

- 76** **Sensing the Seasons**
Lyrical text and colorful illustrations capture the changing seasons through the senses.
- 78** **Where in the United States Do Tornadoes Mostly Happen?**
An exciting photo and U.S. map show where tornadoes most often happen.
- 80** **What's the Weather Out There?**
Clouds, snowflakes, and rainbows. This interview with a meteorologist answers a few common questions about the weather.

Page	Family, Homes, and Community
83	Families: The Things We Do Together Use engaging photos of different families as cues to read simple labels and talk about things families do together.
86	My Neighborhood This charming poem and colorful map picture a neighborhood through a child's eyes.
87	We Take Care of Our Pet With photos and simple text, two children introduce their pet guinea pig and tell how they care for him.
88	Who Lives in the Zoo? Colorful photos answer simple patterned questions in this article for beginning readers.
92	Where Do We Live? Compare different types of houses through clear photographs and simple labels.
93	Community Helpers Photos and simple text tell how people in our community help us every day.
96	A New Home Join us at the construction site and watch as a new house is built.
98	Carpenter Take a closer look at carpenters at work through action photos and close-ups of tools.
100	Off to School Watch one child prepare for his day. Numbered captions and engaging photos show the sequence of his morning routine.
Country and City Life	
102	Ask the Farmer! In question and answer format, a farmer tells about life on the farm.
103	Tractor Learn the parts of a tractor with this vivid photograph with labels.
104	The Country A detailed farm scene presents concepts and words about the country.
106	The City A second scene of a busy intersection shows life in the city. A corresponding picture dictionary labels drawings of key items in both country and city scenes.
Around the United States	
109	Postcards from the Desert Museum Learn about the wonders of the desert through postcards from a grandmother to her grandkids as she explores a desert museum.
112	Prairie Dog Homes Take a peek underground at life in a burrow with a clear cross-section diagram and explanatory text.
114	Dear Aunt Pat A thank-you letter and photos recall a visit to Washington, D.C.

Page	How-To, Time, and Calendar
116	Counting Fruit Salad One bowl, two plums, and three strawberries. Count your way to a fruit salad with photos and illustrations.
118	Make a Sandwich! Make your own peanut butter and jelly sandwich—with a twist! Photos and simple text show the sequence.
120	What Time Is It? Practice reading analog and digital clocks with clues from photos of children at different times of the day.
121	Celebrations Timeline Follow the year in this circular timeline of celebrations we share as a nation.
122	Old and New Compare transportation from the past and present through photos of bicycles, automobiles, planes, and trains.

Art

123	Meet Eric Carle Meet the famous author/illustrator in this simple biography.
124	I Like Art! Crayons, markers, glue stick, and paint! This simple poem describes the joy of creating art for a friend.
125	A Stick Puppet Play Stick puppets perform a "play" with a clever ending. A follow-up page gives directions for making your own stick puppet.
128	Totem Poles, Family Stories Learn how American Indians celebrate and share their family stories by carving totem poles.

Sports

130	Kids at Play Compare the ways kids play through real-life photographs and simple labels.
132	Having a Ball Playing Soccer Run, pass, kick, score! Join a girl and her soccer team as they practice teamwork, soccer skills, and making friends.
134	Let's Go Hiking! In engaging text and colorful photos, families enjoy hiking in the great outdoors.

Bibliography

139	Great trade books, magazines and websites for kids, and professional books for your reading pleasure.
